

A Call for Photo Contest + Exhibition!

-Pictures of Yamaguchi Taken by International Residents-

Yamaguchi International Students Exchange Association will be organizing photo contest and exhibition taken by only international people living in the city. By displaying photos of your favorites, we would like to discover how international people think of our living place. So, please submit your favorite photos taken either in Yamaguchi City or in Japan. In the exhibition, an exchange party will be hosted as well. Let's have fun and enjoy knowing each other through the photo exhibition as a Yamaguchi resident!

* Please see the back for more information on the submission guidelines.
